## Thank you to the CID!

### Inside this issue:

Dakota Dunes Neighbors,

These past weeks we have all been on pins and needles because of the rapid snow melt, rain, and frozen ground, coupled with a major dam breach on the Niobrara in Nebraska. This provided a great amount of uncertainty and anxiety about our safety and well-being in the Dunes. Many of us remember the flood of 2011 and no one wants to relive that.

We are fortunate to have Jeff Dooley leading the CID staff who always take a proactive stance when these situations arise in preparing for the fight that mother nature is throwing at us. Jeff always keeps us in the loop with constants updates on the status of things and will not hesitate to roust us out bed in the middle of the night if things are starting to look dangerous. While most of us are sleeping, we can be assured that Jeff and his staff are working around the clock to monitor things to keep us all safe.

Thank you, Jeff Dooley, for your leadership, because when things get tough we know that you and your staff will be "Standing Tall" to take care of us. You are a blessing to Dakota Dunes.

So, take a little time to thank Jeff, his staff, the Sheriff's Dept., fire fighter and all of the other volunteers who pitch in to help us through these things.

Bob Dunker

### **Neighborhood Advisory Board Elections 2019**

Want to be involved in the Community Association without all of the commitment of a Board Member? Do you want to represent yourself and your neighborhood in making Association decisions such as Community Amenities, Rules & Regulations or Activities? If so...this is your year to volunteer for the Neighborhood Advisory Board! This Board meets with the DDCA Board, the Community Association Manager & the Dakota Dunes CID Manager on a quarterly basis to discuss community "hot topics". The voting member from each of the Neighborhood Committees are also the members responsible for electing the DDCA Board at the Annual Meeting. This is a great way to gain a better understanding of how our community functions, and what the Board of Directors does for all of our members. Who knows...it may even want to make you volunteer to be on the Board too!

Current Committee Members names & contact information for each neighborhood are outlined in our 2017-2019 Dakota Dunes Community Association Neighborhood Committee Members listing. If you have a question about the neighborhood your home is assigned to, please contact our office. To access this, please log in to our website at [www.dakotadunesco.com.co](http://www.dakotadunesco.com.co) A You will need to log into your account by clicking:

Login (Home Page)>enter your username & password>Forms & Docs>Documents>Neighborhood Designations & Committee Members.

Detailed information about the election process, electronic & mail voting and volunteering to serve will be sent out in early Spring 2019. Stay tuned for further information on how you can be involved in your Community Association.

# Neighborhood Notes...

- The Association urges residents to please contact Dakota Dunes Night Patrol at 712-253-3102 or the Union County Sheriff's office to report any suspicious behavior or vandalism. We need to make sure that these instances are reported each and every time. We also ask that parents please enforce the curfews and that the closing time of 10:00 pm is strictly enforced. Night Patrol will be monitoring the parks closely and reporting violations to the Sheriff's Department for curfew violations.
- Please note that all golf carts must be licensed and driven by a licensed driver on the roads within the Association. Carts are not allowed on sidewalks, parks or any other areas. Recreational Vehicles such as 4-wheelers or go carts also must be licensed to drive on the roads of Dakota Dunes. They are not allowed on any common areas of Dakota Dunes. Night Patrol will also be enforcing this and reporting violations to the Union County Sheriff's department. For details on licensing, please call the Dakota Dunes CID at 605.232.4211.
